# Durham Community Service Update

Welcome to the Durham Community Service Update – your weekly source for the latest updates for services in our community. Just a friendly reminder that this isn't an exhaustive resource guide; consider it a resource for quick changes! Please continue to utilize and update places like ConnexOntario, Find Help | 211, AccessMHA, and the like.

As for the update, Hello!! I’m Jennifer Garton and I send out this update weekly (typically on Wednesdays). I’m the Regional Housing Coordinator with Durham Mental Health Services, part of the Lakeridge Health Mental Health and Addictions team. In partnership with The Gap Committee, we aim to bring you timely updates and an effective way to keep up to date on our ever-changing system.

## How to Use:

**SAVE:** Keep any flyers attached to the email for future reference—they're handy!

**ADD, DELETE, or CHANGE:** Your participation matters! The information in this update is only as good as the information I am provided with. If you have updates, corrections, or suggestions for your service/agency, please share them with me at [jgarton@lh.ca](mailto:jgarton@lh.ca)

**OPT-OUT:** If you wish to stop receiving these updates, feel free to let me know at the same email address.

## Get to Know Series:

Don't overlook our monthly 'Get to Know' series, managed through this update.

The Get to Know series is a virtual presentation with Q&A time for programs/services in our area. This gives an opportunity for attendees to get up to date information, network with others in the field and ask questions to best serve the people we work with.

To register for upcoming presentations or volunteer to present, email me at [jgarton@lh.ca](mailto:jgarton@lh.ca)

<p>CFOC – Doors of Compassion</p>	<p style="text-align: center;"><b>*NEW* About CFOC's Doors of Compassion (DOC)</b></p> <p>Doors of Compassion (DOC) CFOC is a registered non-profit with charitable status located in Ajax, Ontario. DOC is a program stream within their Homelessness Initiatives and runs three low-barrier and housing-focused emergency shelters for individuals 18+ in the areas of Ajax and Whitby. DOC is funded by the Regional Municipality of Durham and is the largest emergency shelter provider in the region. DOC is also part of the Coordinated Access system as a Community Access Point for the regional By-Name List. With a total of 95 beds, DOC offers a</p>

space of dignity and respect for individuals experiencing homelessness and hardship while providing trauma-informed and people centred wrap-around supports to assist clients in achieving their long-term housing goals. Employing a harm reduction lens, DOC programs are not abstinence based, however, we do prohibit use on property. While residing at one of the DOC locations, clients have access to showers, laundry, and transportation services. Clients are also provided three nutritious meals a day and supported with medication storage and compliance. Each client is assigned a Patron Relations Advocate who will provide case management support to achieve goals such as obtaining identification or income support and finding appropriate long-term housing solutions. Once a client has exited the DOC program and moved into long-term housing, a Housing Retention Worker supports the client as they adjust to living within the community. For more information, visit our website, 211 Ontario, or contact Caitlin Rae at [caitlin@cfoc.ca](mailto:caitlin@cfoc.ca) for external communication requests

## VASE (Voices Against Stigma Everywhere) Description

### **Our Vision:**

We are successful people with lived experience who aim to create a world without stigma by sharing our stories.

### **Our Mission:**

VASE will educate, advocate, and foster an inclusive community.

We believe our experiences, strengths, humanity and hope for the future will be valued by the public with whom we will be sharing our mental health stories.

VASE is a dedicated group of individuals, with lived and living mental health and addictions experience, who share our unique journeys with others.

VASE stands for fairness, equality and education in the fight against stigma, through the sharing of our personal challenges and successes.

Our aim is to provide hope to anyone affected by/or struggling with mental health and addictions issues.

Our VASE speakers have travelled where requested to generate awareness and provide advocacy and inspiration to a wide range of audiences.

VASE grew from the recognition that personal stories can make powerful and tangible changes in the lives of people, for both the people listening and the people speaking.

	<p>VASE has a professional outlook that is highly respected and influential. All VASE speakers have lived and living experience with mental illness and/or addictions.</p> <p>The VASE group started approximately 12 years ago by first Durham Mental Health Services peer Sue Cathcart. VASE has travelled as far as Ottawa to speak.</p> <p style="text-align: right;">Updated 2023</p>
